**Reminders**

Gifts to the UICA, the channel preferred by the University of Iowa for private support, qualify as charitable contributions to an IRC Sec. 501(c)(3) organization for federal income, estate, and gift tax purposes.

Larger gifts—or loyal giving, added over time—can help you qualify for membership in the Presidents Club, the University of Iowa's highest honor club for contributors.

For gifts to funds designated for seating (i.e. I Club Fund), following the passage of the Tax Cuts & Jobs Act ("Tax Reform Act"), effective 1/1/2018, changes were made to IRC 170(l) eliminating the 80% charitable deduction previously allowed for federal income tax purposes. Some states may address charitable deductibility for athletic contributions differently. Please consult your own tax advisor for applicability of federal and state tax regulations.

**May we help you?**

- Please send me information about recognition in the Presidents Club and other honor clubs for contributors.
- My current estate plans provide for the University of Iowa through the UI Foundation.
- I am interested in supporting the University of Iowa through a bequest or another method of planned giving. Please send me information on how I can support the University of Iowa through other methods of planned giving, including my TIAA/CREF assets.
